

Product Announcement Bulletin 500-17-003

To: All Distributors

From: MESCA Technical Service & Support

Date: November 6, 2017

Subject: MELCO Retail Mini Interface Product Release

IMPORTANT NOTICE TO DISTRIBUTION PARTNERS

Please be advised that the PROCON IO-INTERFACE has now been discontinued and replaced with a new product by the manufacturer.

The MELCO-RETAIL-MINI allows for 3rd party controls to monitor and control Mitsubishi Electric HVAC equipment. MELCO-RETAIL-MINI interface comes with new and revised functionalities (please refer to submittal for details) including MODBUS and BEMS capability.

Procon IO – Interface (**discontinued**)

NEW MELCO-RETAIL-MINI interface
